## II. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Springfield Housing Authority has completed this Agency Plan in consultation with SHA residents and the local community. The plan was reviewed by the Resident Advisory Board on July 26, 1999, and August 2, 1999. The public was afforded an opportunity to review the plan and offer comments at a public hearing held on September 27, 1999. The Annual Agency Plan is summarized as follows:

1. Housing Needs

From a review of current waiting list, is not excessive, the demand for public housing is evident. Our greatest demand is for small bedroom units (1 and 2 bedroom units). Approximately 25% of our applicants are elderly or disabled.

2. Financial Resources

The SHA expects to expend approximately 2.0 million in the year 2000 for operations, capital improvements, drug elimination and administrative costs.

3. Eligibility, Selection and Admission Policies

The SHA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on April 30, 1999. These policies will be updated as HUD issues further guidance.

As required under this section of the plan the SHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do not have a problem with concentration of high or low income families. Further, we have revised our admission policy to assure that a concentration does not occur in the future.

4. Rent Determination - Discretionary Policies

Our discretionary rent policies include:

- \$50.00 minimum rent

5. Operations and Management

The SHA has developed policies relating to public housing administration, management, maintenance, leasing and occupancy. These policies have been revised to comply with the recently mandated requirements of the QHWRA.

6. Grievance Procedure

We have revised our Grievance Procedure to comply with the QHWRA and we will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

Our projected funding under the CGP program is \$594,527. Our focus for the 2000 program year is as follows:

- Project No. TN036-005 - Kitchen Renovations
- Project No. TN036-008 - Window Replacement

8. Demolition and/or Disposition

The SHA has no current plans for demolition or disposition.

9. Designation

The SHA has no plans to designate additional units in the future.

10. Conversion of Public Housing

The SHA has no current plans to designate any developments or buildings to tenant-based assistance.

11. Homeownership

The SHA has no current plans to develop a Homeownership Program.

12. Community Services and Self-Sufficiency Programs

We currently have several programs for our residents that include community services and self-sufficiency. These programs include the following:

- Leaders of Tomorrow
- SHA Community Program
- Headstart Program
- Pathfinders
- Buffalo Valley Alcoholics
- Counseling Services

We have adopted the policy revisions required by the QHWRA related to income changes for welfare recipients.

We will develop a community service program following the publication of the final rules by HUD.

13. Safety and Crime Prevention

We have participated in HUD's Public Housing Drug Elimination Program for the last five years. This program provides enhanced police patrols, increased security, and funding for drug prevention activities.

14. Ownership of Pets

The SHA has a policy related to tenant-owned pets.

We intend to revise our pet policy, if necessary, to comply with the requirements of the QHWRA upon publication of the final rule.

15. Civil Rights Certification

We have included the required certification regarding Fair Housing and Civil Rights in this plan.

16. Annual Audit

Our most recent annual audit for fiscal year 1998 is on file at our local HUD office in Nashville, Tennessee, and is available for review at our main office during normal business hours.

17. Asset Management

It is the goal of the SHA to manage our assets (physical property, financial resources and manpower) as efficiently as possible to meet the intent of our mission statement.

## **Vacancies Improvement Plan**

INDICATOR (1)

COMPONENT (1)

VACANCY RATE

1. As of 12/01/99, the Springfield Housing Authority has updated the waiting list. We are continuing to keep the waiting list updated. We have not had a need to increase the applicant pool because the list is staying full. As soon as a unit becomes available for rent, we have a resident ready to go in that unit.
2. We are still striving every day to improve and reduce the maintenance time for repairs of vacant units. We have a crew that is totally dedicated to unit turn around. We still have the problem of high resident turnover. We want all of our units completely ready when a new resident moves in and this takes time, especially when a former resident leaves the unit a mess.
3. We still continue to maintain a tracking system for vacancy days from the date of vacancy to date turned over to maintenance, date unit returned to administrative staff and date lease is executed.

INDICATOR (1)

COMPONENT (2)

1. Most of our vacancies that we have at this time are in 36-7. We have at this time reworked our Comp-Grant money to include some renovation of 30 units in this area. These units have not been occupied due to kitchen renovations anyway. Once the renovations have been completed, we will be able to cut our vacancies down.
2. We have procedures in place that ensure the following:
  - a. Units found vacant are reported to administrative staff immediately.
  - b. Vacant units are inspected for damage.
  - c. Upon repair, the units are reported to administrative staff as available for occupancy.
  - d. The administrative staff promptly executed a lease agreement with preapproved applicants.
  - e. We always have maintained a tracking system to track unit turnaround.
